

**RESOLUTION OF THE ORANGE COUNTY COMMITTEE  
ON SCHOOL DISTRICT ORGANIZATION  
APPROVING ADJUSTED TRUSTEE AREA BOUNDARIES FOR THE  
ORANGE COUNTY BOARD OF EDUCATION**

*WHEREAS*, pursuant to Education Code section 1000, the Orange County Board of Education (“County Board”) uses a by-trustee area election process to elect its governing board members; and

*WHEREAS*, Education Code section 1002(b) requires the County Committee on School District Organization (“County Committee”) adjust trustee area boundaries for the County Board of Education following each decennial federal census using population figures validated by the Population Research Unit of the Department of Finance; and

*WHEREAS*, the adjustments shall ensure that the population of each trustee area is as nearly equal as may be, except that the County Committee may give consideration to other criteria pursuant to Education Code section 1002(a); and

*WHEREAS*, the County Board’s existing trustee areas have a population variance of 23.99% based on the 2020 federal census, are not in compliance with Education Code section 1002, or the applicable state and federal voting rights laws, and now need to be adjusted; and

*WHEREAS*, the County Committee has reviewed and held public hearings on several adjusted trustee area boundary plans, including the plan submitted by the County Board and all publicly submitted plans to the County Committee, and now wishes to take action to approve a final adjusted map plan pursuant to Education Code section 1002(b); and

*WHEREAS*, the County Committee and its consultants have thoroughly reviewed Plan \_\_\_ and have determined that it meets the population and other criteria set forth in Education Code section 1002(a).

*NOW THEREFORE*, be it resolved by the Orange County Committee on School District Organization as follows:

1. That the above recitals are true and correct.
2. That the County Committee hereby approves Plan \_\_\_.
3. That the Secretary to the County Committee and/or his designee is authorized, if necessary to facilitate the implementation of this Resolution, to make minor, technical adjustments to the boundaries that do not substantively affect the populations in the trustee areas, or the residence of elected officials within any trustee area.
4. That the Secretary to the County Committee and/or his designee take all actions necessary to implement the adjusted trustee area boundaries, prior to the next regularly scheduled Orange County Board of Education election.
5. If any part of this Resolution is declared invalid by a court, such invalidity will not affect any of the remaining parts.
