ANNUAL NOTICE – UNAUTHORIZED CHARGES OF PUPIL FEES COMPLAINT PROCEDURE

Grounds for Filing a Complaint

Pursuant to Title 5 California Code of Regulations (CCR) section 4621, the following procedures apply to complaints related to unauthorized charges of pupil fees in any program or activity conducted by the Orange County Department of Education (OCDE). Students in OCDE programs or activities shall not be required to pay a pupil fee for participation in an educational activity. All supplies, materials, and equipment needed to participate in educational activities shall be provided to pupils free of charge. “Pupil fee” means a fee, deposit, or other charge imposed on pupils, or a pupil's parents or guardians, that is not otherwise authorized by law and is in violation of California Education Code section 49011 and Section 5 of Article IX of the California Constitution, which require educational activities to be provided free of charge to all pupils without regard to their families’ ability or willingness to pay fees or request special waivers.

Filing of Complaint

A complaint of noncompliance with the requirements of Article 5.5 of Chapter 6 of Part 27 of Division 4 of Title 2 of the Education Code (commencing with Section 49010) may be filed with the principal of a school under the Uniform Complaint Procedures. A complaint may be filed anonymously if the complaint provides evidence or information leading to evidence to support an allegation of noncompliance with the requirements of this article.

OCDE has the primary responsibility to ensure compliance with applicable state and federal laws and regulations governing educational programs. OCDE has sixty days from the date of the receipt of the complaint to conduct and complete an investigation and issue a written decision. Following is information regarding the opportunity to appeal the OCDE decisions to the California Department of Education (CDE).

Appealing OCDE Decisions

Any complainant(s) may appeal an OCDE complaint decision to the CDE by filing a written appeal with the CDE within fifteen (15) days of receiving the OCDE Decision. Extensions for filing appeals may be granted, in writing, for good cause. A complainant not satisfied with the decision of the district may appeal the decision to the State Department of Education and shall receive a written appeal decision within 60 days of the department’s receipt of the appeal.

If the district finds merit in a complaint, or the department finds merit in an appeal, the public school shall provide a remedy to all affected pupils, parents, and guardians that, where applicable, includes reasonable efforts by the district to ensure full reimbursement to all affected pupils, parents, and guardians, subject to procedures established through regulations adopted by the state board.

The complainant shall specify the reason(s) for appealing the OCDE Decision. The appeal shall include:

1. A copy of the locally filed complaint; and
2. A copy of the OCDE Decision.

Civil Law Remedies

Civil law remedies may be available under state or federal discrimination laws, if applicable. A complainant may pursue available civil law remedies outside of OCDE’s complaint procedures. Civil law remedies that may be imposed by a court include, but are not limited to injunctions and restraining orders.

Assistance with the above civil law remedies may be obtained from various sources, including the following:

- Private legal counsel.
- Legal assistance agencies, such as: Legal Aid Society of Orange County (714.571.5200)
Legal Center of Hermandad Mexicana (714.541.0250)
