

ORANGE COUNTY DEPARTMENT OF EDUCATION
Costa Mesa, California

SUPERINTENDENT'S POLICY

100-12

Married/Pregnant/Parenting Students

The Orange County Department of Education recognizes that early marriage, pregnancy, or parenting and related responsibilities may disrupt a student's education and increase the chance of a student dropping out of school. The Orange County Department of Education therefore desires to support married, pregnant, and parenting students to continue their education, attain strong academic and parenting skills, and promote the healthy development of their children.

The Orange County Department of Education shall not discriminate against any student on the basis of the student's marital status, pregnancy, childbirth, false pregnancy, termination of pregnancy, or related recovery.

For school-related purposes, a student under the age of 18 years who enters into a valid marriage shall have all the rights and privileges of students who are 18 years old, even if the marriage has been dissolved.

Education and Support Services for Pregnant and Parenting Students

Pregnant and parenting students shall retain the right to participate in any comprehensive school or educational alternative program. The classroom setting shall be the preferred instructional strategy unless an alternative is necessary to meet the needs of the student and/or his/her child.

Any education program or activity that is offered separately to pregnant students, including any class or extracurricular activity, shall be equal to that offered to other Orange County Department of Education students. A student's participation in such programs shall be voluntary.

As required for other students with physical or emotional conditions or temporary disabilities, the Superintendent or designee may require a student, based on pregnancy, childbirth, false pregnancy, termination of pregnancy, or related recovery, to obtain certification from a physician indicating that the student is physically and emotionally able to participate in an educational program or activity.

To the extent feasible, educational and related support services will be provided, either through the Orange County Department of Education or in collaboration with community agencies and organizations, to meet the needs of pregnant and parenting students and their children. Such services may include, but are not limited to:

1. Child care and development services for the children of parenting students on or near

school site(s) during the school day and during school-sponsored activities

2. Parenting education and life skills instruction
3. Special school nutrition supplements for pregnant and lactating students pursuant to Education Code 49553, 42 USC 1786, and 7 CFR 246.1-246.28
4. Health care services, including prenatal care
5. Tobacco, alcohol, and/or drug prevention and intervention services
6. Academic and personal counseling
7. Supplemental instruction to assist students in achieving grade-level academic standards and progressing toward graduation

As appropriate, teachers, administrators, and/or other personnel who work with pregnant and parenting students shall receive related professional development.

Absences

Pregnant or parenting students may be excused for absences related to confidential medical appointments in accordance with Absences and Excuses.

The Superintendent or designee shall grant a student a leave of absence due to pregnancy, childbirth, false pregnancy, termination of pregnancy, and related recovery for as long as it is deemed medically necessary by a physician. At the conclusion of the leave, the student shall be reinstated to the status held when the leave began.

A parenting student may request exemption from attendance because of personal services that must be rendered to a dependent.

Reasonable Accommodations

When necessary, the Orange County Department of Education shall provide reasonable accommodations to pregnant and parenting students to enable them to access the educational program.

A pregnant student shall have access to any services available to other students with temporary disabilities or medical conditions.

The school shall provide reasonable accommodations to any lactating student to express breast milk, breastfeed an infant child, or address other needs related to breastfeeding. A student shall not incur an academic penalty for using any of these reasonable accommodations, and shall be provided the opportunity to make up any work missed due to such use. Reasonable accommodations include, but are not limited to:

1. Access to a private and secure room, other than a restroom, to express breast milk or breastfeed an infant child
2. Permission to bring onto a school campus a breast pump and any other equipment used to express breast milk
3. Access to a power source for a breast pump or any other equipment used to express breast milk
4. Access to a place to store expressed breast milk safely
5. A reasonable amount of time to accommodate the student's need to express breast milk or breastfeed an infant child

Complaints

Any complaint of discrimination on the basis of pregnancy or marital or parental status shall be addressed through the Orange County Department of Education's uniform complaint procedures.

Any complaint alleging Orange County Department of Education noncompliance with the requirements to provide reasonable accommodations for lactating students also may be filed in accordance with the Orange County Department of Education's Uniform Complaint Procedures. A complainant who is not satisfied with the Orange County Department of Education's decision may appeal the decision to the California Department of Education (CDE). If the Orange County Department of Education or the CDE finds merit in an appeal, the Orange County Department of Education shall provide a remedy to the affected student.

Program Evaluation

The Superintendent or designee will periodically evaluate the effectiveness of Orange County Department of Education strategies to support married, pregnant, and parenting students, which may include data on participation rates in Orange County Department of Education programs and services, academic achievement, school attendance, graduation rate, and/or student feedback on programs and services.
