SUPERINTENDENT'S POLICY

Questioning and Apprehension by Law Enforcement

The Orange County Department of Education believes that the safety of students and staff is essential to achieving the goal of student learning. In accordance with standards specified in law, law enforcement officers may interview and question students on school premises and may remove them when appropriate.

The Superintendent or designee shall collaborate with local law enforcement agencies to establish procedures which enable law enforcement officers to carry out their duties on school campus, including, when necessary, the questioning and/or apprehension of students.

When any law enforcement officer requests an interview with a student, the principal or designee shall request the officer's identity, his/her official capacity, and the legal authority under which the interview is to be conducted.

The principal or designee shall accommodate the interview in a way that causes the least possible disruption for the student and school and provides the student appropriate privacy. When interviews can take place during noninstructional time or at another location, law enforcement representatives will be encouraged to do so.

At the law enforcement officer's discretion and with the student's approval, the principal or designee may be present during the interview.

Except in cases of child abuse or neglect, the principal or designee shall attempt to notify the student's parent/guardian as soon as practicable after the law enforcement officer has interviewed the student on school premises.

If a minor student is removed from school into the custody of law enforcement, the principal or designee shall immediately notify the parent/guardian or responsible relative regarding the student's release and the place to which he/she is reportedly being taken, except when the minor has been taken into custody as a victim of suspected child abuse.

Subpoenas

Although subpoenas may legally be served at school on students age 12 or older, the Orange County Department of Education believes that serving officials should be strongly urged to serve subpoenas at the home of the student whenever possible. When served at school, the principal

or designee shall take reasonable steps to protect the student's privacy rights and to minimize loss of class time for the student.
