Costa Mesa, California

SUPERINTENDENT'S POLICY

100-32

Suspension and Expulsion/Due Process

The Orange County Department of Education desires to provide students access to educational opportunities in an orderly school environment that protects their safety and security, ensures their welfare and well-being, and promotes their learning and development. The Orange County Department of Education shall develop policies and procedures setting the standards of behavior expected of students and the disciplinary processes and procedures for addressing violations of those standards, including suspension and/or expulsion.

The grounds for suspension and expulsion and the procedures for considering, recommending, and/or implementing suspension and expulsion shall be only those specified in law, in this policy, and in the accompanying procedure.

Except when otherwise permitted by law, a student may be suspended or expelled only when his/her behavior is related to a school activity or school attendance occurring within any Orange County Department of Education school or school district, regardless of when it occurs, including, but not limited to, the following:

1. While on school grounds
2. While going to or coming from school
3. During the lunch period, whether on or off the school campus
4. During, going to, or coming from a school-sponsored activity

Orange County Department of Education staff shall enforce the rules concerning suspension and expulsion of students fairly, consistently, equally, and in accordance with the Orange County Department of Education's nondiscrimination policies.

Appropriate Use of Suspension Authority

Except when a student's act violates Education Code 48900(a)-(e), or when his/her presence causes a danger to others, suspension shall be used only when other means of correction have failed to bring about proper conduct.

A student's parents/guardians shall be notified as soon as possible when there is an escalating pattern of misbehavior that could lead to on-campus or off-campus suspension.

No student in grades K-3 may be suspended for disruption or willful defiance, except by a teacher pursuant to Education Code 48910.

Students shall not be suspended or expelled for truancy, tardiness, or absenteeism from assigned school activities.

On-Campus Suspension

To ensure the proper supervision and ongoing learning of students who are suspended for any of the reasons enumerated in Education Code 48900 and 48900.2, but who pose no imminent danger or threat to anyone at school and for whom expulsion proceedings have not been initiated, the Superintendent or designee shall establish a supervised suspension classroom program which meets the requirements of law.

Except where a supervised suspension is permitted by law for a student's first offense, supervised suspension shall be imposed only when other means of correction have failed to bring about proper conduct.

Authority to Expel

A student may be expelled only by the governing board of the student's district of residence.

As required by law, the governing board of the school district of residence shall expel any student found to have committed any of the following "mandatory recommendation and mandatory expulsion" acts at school or at a school activity off school grounds:

1. Possessing a firearm which is not an imitation firearm, as verified by a certificated employee, unless the student had obtained prior written permission to possess the item from a certificated school employee, with the principal or designee's concurrence
2. Selling or otherwise furnishing a firearm
3. Brandishing a knife at another person
4. Unlawfully selling a controlled substance listed in Health and Safety Code 11053-11058
5. Committing or attempting to commit a sexual assault as defined in Penal Code 261, 266c, 286, 288, 288a, or 289, or committing a sexual battery as defined in Penal Code 243.4
6. Possessing an explosive as defined in 18 USC 921

For all other violations, the school district of residence shall have the discretion to recommend expulsion of a student. If expulsion is recommended, the governing board of the school district

of residence shall order the student expelled only if it makes a finding of either or both of the following:

1. That other means of correction are not feasible or have repeatedly failed to bring about proper conduct
2. That due to the nature of the violation, the presence of the student causes a continuing danger to the physical safety of the student or others

A vote to expel a student by the governing board of the school district of residence shall be taken in a public session. The governing board of the school district of residence may vote to suspend the enforcement of the expulsion order pursuant to the requirements of law and the accompanying procedure. No student shall be expelled for disruption or willful defiance.
