Unlawful discrimination complaints may be based on actual or perceived gender, gender identity, gender expression, sex, sexual orientation, ethnic group identification, race, ancestry, nationality, national origin, religion, color, mental or physical disability, marital or parental status, genetic information, age, any other characteristic that is contained in the definition of hate crimes in Penal Code section 422.55, or on a person's association with a person or group with one or more of these actual or perceived characteristics, in any program or activity that receives or benefits from state financial assistance.

Complaints should be filed with the Associate Superintendent, Administrative Services, who is designated as the Uniform Complaint Officer. Grounds for Filing a Complaint

Pursuant to Title 5 California Code of Regulations (CCR) section 4621, the following procedures apply to complaints related to unauthorized charges of pupil fees in any program or activity conducted by the Orange County Department of Education (OCDE). Students in OCDE programs or activities shall not be required to pay a pupil fee for participation in an educational activity. All supplies, materials, and equipment needed to participate in educational activities shall be provided to pupils free of charge. "Pupil fee" means a fee, deposit, or other charge imposed on pupils, or a pupil's parents or guardians, that is not otherwise authorized by law and is in violation of California Education Code section 49011 and Section 5 of Article IX of the California Constitution, which require educational activities to be provided free of charge to all pupils without regard to their families' ability or willingness to pay fees or request special waivers.

A complaint shall be filed no later than one year from the date the alleged violation occurred. A complaint may be filed anonymously if the complaint provides evidence or information leading to evidence to support an allegation of noncompliance with the requirements of this article.

OCDE has the primary responsibility to ensure compliance with applicable state and federal laws and regulations governing educational programs. OCDE has sixty days from the date of the receipt of the complaint to conduct and complete an investigation and issue a written decision.
