

YCEP

School Site Council

August 23, 2016

## Meeting Minutes

- Meeting started at 3:10 pm
- Introductions and appreciation. Principal Antonelli was unable to attend the meeting, so School Site Council member Jose E. facilitated the meeting.
- Meeting minutes from July 20, 2016 were approved by a motion from Jose E. and seconded by Felipe L.
- Lisa Lanier handed out new copies of the Single Plan for Student Achievement with the clerical error corrected on page 7, and thanked the Council for their patience as we corrected its composition to include the proper number of teachers and “other school staff.”
- The Council discussed the date of the next SSC meeting and decided on Thursday, September 22, 2016 at 3:00 p.m.
- The Council discussed the role of the Secretary in the School Site Council and acknowledged the importance of having a Secretary and an alternate chosen. The Council decided to hold on the decision to ask for volunteers until the meeting in September when, hopefully, more members are present.
- Council members and guests had a lengthy conversation regarding the need to set evaluative benchmarks for the actions contained in the Single Plan for Student Achievement in order determine the effectiveness of the actions. Participants went item by item and discussed how each action would be monitored at the end of the school year. A list of the actions and chosen benchmarks is attached (Attachment A) to the meeting minutes and will be included as the final page of the Single Plan for Student Achievement.
- Megan Szilagyi recommended that the Council investigate the possibility of the Padres Unidos providing a presentation to the School Site Council and parents from the YCEP school sites. Padres Unidos is a non-profit organization dedicated to engaging families in their children’s lives, nurturing vibrant neighborhoods, and empowering residents. Lisa Lanier said she would reach out to Padres Unidos about a presentation and talk to Probation staff at Central YRC about the possibility of their site hosting the event.

Next meeting will be Thursday, September 22, 2016.

Meeting adjourned at 3:51 p.m.
