

Title I Programs Strategic Plan

1

GOAL 1

Develop and articulate shared goals for Title I Programs with staff and stakeholders

OBJECTIVE 1.1

Each manager will seek input and evaluative information annually

OBJECTIVE 1.2

Increase program effectiveness through the enhanced use of technology

OBJECTIVE 1.3

Provide staff development opportunities that enhance and encourage management and instructional excellence. Each manager will attend at least one.

GOAL 2

Enhance communication, improve service delivery, and collect data via technology

OBJECTIVE 2.1

Provide excellence in staff development by coordinating with experts and sharing research-based instructional techniques, focusing our efforts on California State Standards

OBJECTIVE 2.2

Each manager will conduct at least one training for their staff regarding California State Standards

OBJECTIVE 2.3

Review and update the Title I Programs website and install a hit counter to monitor usage

OBJECTIVE 2.4

Maintain an active and working Strategic Plan to guide and measure progress aligned with OCDE's Strategic Plan and post on the Title I Programs website

GOAL 3

Annually evaluate program effectiveness

OBJECTIVE 3.1

At the end of each school year, collect, share, and analyze data for all Title I programs and generate an annual report to be shared with all stakeholders

OBJECTIVE 3.2

Based on annual evaluations, identify and target areas of growth to enhance program effectiveness and service delivery and have each manager create two goals for the current school year

OBJECTIVE 3.3

Each element of Title I Programs will evaluate its current effectiveness against established principles
