ADDENDUM #1 BID # 25-04

Veritas Netbackup Software Subscription and Support Maintenance

IMPORTANT NOTICE

Please note the following responses to questions asked by prospective Proposers:

Question 1. Is this a renewal or net new purchase? If renewal, can you please provide the previous license/ contract number so we can provide you with the most accurate quote possible?

Answer: RENEWAL Contract #00092677 & 00120894

Question 2. Could you please clarify whether you are looking to engage in a formal 5-year agreement with annual payments, or if you're simply seeking the flexibility to extend up to 5 years without the need to go out to bid again? Additionally, would you like us to guarantee pricing across the optional years (2–5) if we include those terms in our quote?

Answer: While our preference is to establish a formal five-year agreement with annual payments, the award will ultimately be made to the lowest responsive and responsible bidder, regardless of the contract term.

This Addendum shall be considered part of the Project documents for the above-mentioned project as though it had been issued at the same time and shall be incorporated integrally herewith. Where provisions of the following supplementary data differ from those of the original Project Documents, this Addendum shall govern and take precedence.

Proposers are hereby notified that they shall make any necessary adjustments in their proposals on account of this Addendum. It will be construed that each Proposer's proposal is submitted with full knowledge of all modifications and supplemental data specified herein.

Sincerely,

Laura DePerry
