## ADDENDUM #1 BID # 23-14

Arista – VDC2 Core Switches

### IMPORTANT NOTICE

Please note the following responses to questions asked by prospective Proposers:

Question 1. Per the information outlined in “Examination of Site and Project Documents”, are in-person project site visits a mandatory requirement in order to respond to this bid?

**Answer: The Bid Document, along with any corresponding Addendums, are recognized as the Project Documents, and no examination of the site requirements is included.**

Question 2. Is this an equipment-only bid, or is installation/implementation of the equipment to be performed by the bidding agency as well?

**Answer: This bid is for equipment and licensing only. No professional services.**

This Addendum shall be considered part of the Project documents for the above-mentioned project as though it had been issued at the same time and shall be incorporated integrally herewith. Where provisions of the following supplementary data differ from those of the original Project Documents, this Addendum shall govern and take precedence.

Proposers are hereby notified that they shall make any necessary adjustments in their proposals on account of this Addendum. It will be construed that each Proposer’s proposal is submitted with full knowledge of all modifications and supplemental data specified herein.

Sincerely,

A handwritten signature in blue ink, appearing to read "Kristin Lange", is written over the typed name.
