

COLLEGE AND CAREER PREPARATORY ACADEMY

Governance Council Candidate Form

The CCPA Governance Council consists of business and industry partners, to review and advise on career preparation and workforce training. As a member of the Governance Council, you will help to support the goals and relationships between entities that align the workforce investment and economic development training and activities and refer to CCPA for educational program support to complete a high school diploma program. The Governance Council meets quarterly and provides input and feedback on school related documents and reports.

If you are interested in participating in the CCPA Governance Council, please complete the information below and email the form to the CCPA Admin office at ccpa@ocde.us
