Come for a fun and informative time! Get to know your fellow travelers and have a richer experience on the East Coast Trip of a Lifetime via interesting facts, hands on activities, games and a 'Special Project.'

What's the BEST way to learn about U.S. History? Take a trip to the East Coast to visit historical sites and landmarks. This trip has been a CHEP favorite over the years and is truly one that will deepen both student and parent understanding of our nation's founding and heritage.

This trip will impact the life of each family member. Take this great opportunity for your family, or just parent and student, to visit Williamsburg, Washington D.C., New York, and other historical places on the East Coast.

Visit the historic sites of days gone by plus some of today's most popular:

- ◇ Williamsburg as it was during the 18th century
- ◇ Mount Vernon, home of George Washington
- ◇ Gettysburg, historic battlefield of the Civil War
- ◇ Washington D.C., our country's capital, full of historic landmarks and memorials
  - ◇ Ground Zero
  - ◇ Broadway show in New York City
  - ◇ Many other wonderful sites and experiences
