A Note from the Principal: From the Desk of Pat Novak

October is a month when much information comes to CA schools about how they are performing. We are happy to report we made our growth API (Academic Performance Index), and there are areas in which we show growth and strength. Our school-wide API is 831, up two points from last year. Our state rank comparing us to other similar schools is nine out of ten, which is something we should all feel great about!

As a school, an area of continuing concern is math. If your child tested in the proficient or advanced range on the CA Standards Test (CST) in math – great! If he or she tested in the basic or lower range, it is an indication they may need more support in that subject, which is available through CHEP. Math vocabulary is extremely important to testing successfully in math, as is automaticity of addition, subtraction, and multiplication facts. Testing is part of the academic landscape for students graduating from any CA public school, and as in all academic subjects, practice produces progress!

To see an overview of how OCCS:CHEP/PCHS did, click on <http://www.cde.ca.gov/snapshot> and type OCCS:CHEP/PCHS in the school name box. The school CST results and *Percentages of Students in Healthy Fitness Zone* are based on the K-8 scores (as CHEP is the larger of the two schools), and the information about graduates and CAHSEE (CA High School Exit Exam) are based on Pacific Coast High School students. The district scores are lower, as they include the county office of education's programs for at-risk students.

CHEP also joined the entire State of CA on October 18 at 10:18 a.m. for The Great Shakeout earthquake drill. Each of our four sites simulated a real incident and tested our readiness. This test will prove to be the most important one of the year if you and your child are at a CHEP site during an actual earthquake or other emergency event. The students took it seriously and did well. Thank you to the parents who were on site and entered in with staff and students. How we practice is how we'll respond in a real emergency!

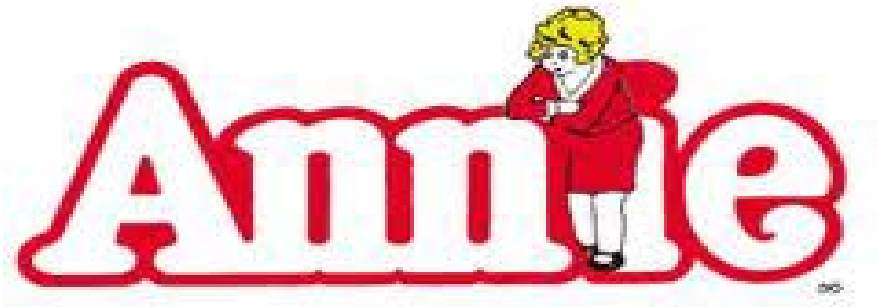

CA students in 5th, 7th, and 9th grades are tested yearly to measure their physical fitness. The goal is for all students to be in the Healthy Fitness Zone. Ninth grade students not passing this test are required to take four years rather than two years of physical education in high school, so preparing and getting in shape as a younger student is certainly advantageous on many levels! The CHEP physical fitness tests this year will be given to 5th and 7th graders as follows, and more information will be forthcoming:

CHEP West	Friday, 2/1/13	9:00 a.m. – 11:00 a.m. at Pacifica High School
CHEP South	Friday, 3/15/13	9:30 a.m. – 11:30 a.m. at Oso Viejo Park
CHEP Central	Tuesday, 3/19/13	9:00 a.m. – 11:00 a.m. at Vanguard University
CHEP North	Thursday, 4/4/13	10:00 a.m. – 12:00 p.m. at Cerro Villa Middle School

To begin preparing and to get in the Healthy Fitness Zone (at any age or grade level), go to www.chep.ocde.us/HealthyFitnessZone.

Mommy & Me

Each month we focus on a thematic topic, and creative teaching ideas are shared at our meeting prior to the corresponding field trip. The teaching ideas are geared for K-3rd graders. Students of all ages are welcome to attend Mommy and Me field trips.

This month's thematic unit will be on *Music*. Join us at *Mayfair High School* as Gina Holcumb shares her talented students with us! This is a wonderful opportunity to expose your children to the arts. Gina and her students will spend the first hour of our visit demonstrating various instruments of the band. The vocal group will perform one of their competition programs during the second half of our visit. There is no charge for this field trip; however, as Gina Holcumb's group is trying to raise money for their competition travel expenses; we will be collecting donations for this talented group to help with their travel expenses.

Please contact Dianna Chen at CHEP North (714) 245-6457 for more information and to sign up.

Due to limited space, many classes fill up. If more students wish to attend a particular class than there are spots for, we will start a waiting list in case of cancellations. If you have signed up for a class and are unable to attend, we appreciate knowing in advance so we may invite students who are on our waiting lists to attend in your child's place. **Also, parents are required to escort their children inside the site at the beginning of a class and pick them up inside the building at its conclusion.**

Central Block Classes

Students will have the opportunity to attend block classes at CHEP. Students can choose to attend one or all classes. Please see times and details below for the different grades, days, and times.

Primary Wednesdays

Grades: K – 3

WEDNESDAYS, November 7, 14, 28 and December 5, 12, and 19

9:00 a.m. – 10:30 a.m.

Instructors: Celia Endsley and Robin Roberson

2/3 EXPLORERS: Calling all 2nd and 3rd graders! Come and join us as we explore the fantastic world of literature. You will participate in choosing the next California Young Medal Reader Book for this year while exploring the wonders of language. In December you will begin the fabulous experience of investigating biographies and becoming your favorite important person from history. It's all happening on Wednesday mornings at CHEP Central. See you there!!

10:30 a.m. – 12:00 noon

Instructor: Robin Roberson

K/1 CAMP: Come join us for fun-packed adventures and exciting learning experiences. Don't miss the opportunity to make new friends and participate in hands-on learning activities with other Kindergarten and First Graders. Class will begin with "calendar time" with Ms. Judy, her favorite 15 minutes of the week!

10:45 a.m. – 12:00 noon

Instructors: Cathy Marshall and Tisi Whitko

2/3 MAD ABOUT NUMBERS AND POTIONS:

Each week the second and third graders will alternate between math and science. One week they may be exploring the magic of numbers and the next they will be investigating the wonders of science!

Due to limited space, many classes fill up. If more students wish to attend a particular class than there are spots for, we will start a waiting list in case of cancellations. If you have signed up for a class and are unable to attend, we appreciate knowing in advance so we may invite students who are on our waiting lists to attend in your child's place. Also, parents are required to escort their children inside the site at the beginning of a class and pick them up inside the building at its conclusion.
