PRINCIPAL'S MESSAGE

FROM THE DESK OF OUR PRINCIPAL, JANE DONEY

The year is winding down and what a whirlwind these last weeks have been!

"Character Matters", *Peter Pan*, EXPO, our Choir and Band Spring Concert, classes and other events going on....each one providing fun experiences and building memories for our students!

We are now gearing up for the Smarter Balanced Field Test. This online test takes the place of the STAR ELA and Math tests from previous years. Because it is a field test, students have the opportunity this year to "test the test." There will be no student, school or district results. It is designed to help the state calibrate the test (before it "counts") and to provide students an opportunity to practice with the new test delivery system, without any penalty. Please note, if you have a 5th and/or 8th grader, they will also be taking the paper-and-pencil STAR Science test, which will provide results. Be sure to let your CHP teacher know if you have any questions.

On a much different note, I wanted to address a significant change that will be occurring over the summer. CHP, like all other schools, must continually look at our budget and consider the very best uses of our resources. In doing so, the decision has been made to merge CHP South with CHP Central (at the Central location) due to our declining student enrollment in South County. This decision is one that has been discussed administratively for years and the time has now come to make this shift. The Central families and teachers are excited to welcome CHP South families and staff, Alyne Cronin, Peg Broyles, Cheryl Taylor, Julie Neiswonger, and Cindy Williams, to the new blended site. CHP teacher, Julie Ames, will be joining CHP West, where there is great growth in student numbers, as well. While change can certainly be challenging, it also provides opportunities. The collaboration and community building between the sites presents opportunity for more friendships, more support, and excellent use of our resources so that CHP can continue to provide wonderful classes, workshops and events.

PRINCIPAL'S MESSAGE

The end of this year, also marks another change in our CHEP family. Marilyn Lagosz, who has been a wonderful CHEP teacher, site liaison, and mentor to families and her peers, will be retiring after 20 years at CHEP and 30 years in education. She will be missed very much, but leaves a legacy that is truly a gift to her families and the CHEP program.

As we wrap up the year, I hope you and your family have had a good one, growing not only academically, but in ways that build life skills and character. Your children are precious and we at CHEP are grateful that we can partner with you in their education.

Warm regards,

Jane

P.E. TESTING

P.E. TESTING GRADES: 4 - 8

CHEP North and CHEP Central Check site pages in this newsletter for specific date, time and location details.

It's time for PE testing at CHEP. Two sites still have to complete their testing, so if you missed CHEP West or CHEP South's testing, plan on attending one of these. PE testing is required for students in the grades 5 and 7; however, students in grades 4, 6, and 8 are encouraged to participate as well. All grade 4 – 8 students can earn a fitness patch if they meet the Healthy Fitness Zone requirements. Refer to the "[Healthy Fitness Zone](#)" page of the CHEP Website to get information about the testing requirements for each age level. You will also find the dates, times, and locations for each site on the Webpage .
