A Note from the Principal: From the desk of Jane Doney

Happy Autumn, CHEP Families!

"I'm so glad I live in a world where there are Octobers." — L.M. Montgomery, *Anne of Green Gables*

I hope you are having a great beginning to this new year! It has certainly been a busy one! We have already enjoyed pancake breakfasts, Chik-fil-a lunches, a beach day, picture day, and many wonderful classes! There is much more ahead, so please be sure to check the newsletter for updates and information on what is going on at each of our sites. Spaces can fill up quickly, so don't delay when signing up!

As we look to the year ahead, I hope you will savor the time that you are able to spend with your children, as their parent and their teacher. I also hope that you will reach out to other CHEP families so that you and your student can make friends and become invested in the community of CHEP. Each site has a parent group; you will be hearing from the leaders of each in our next newsletter. In the meantime, if you are interested in becoming more involved, be sure to ask your CHEP teacher about how to get connected with your site's parent support group! The more, the merrier!

As always, thank you for entrusting us in partnering with you to educate your child. We love what we do and we are grateful for the opportunity to work alongside you and support you in this important season of your child's life!

Warmly,

Jane

Field Trips

Catalina Island Marine Institute (CIMI)

Grades 7-8

Wednesday, May 20 – Friday, May 22, 2015

Cost \$260.00

Deposit \$60 upon sign-up

Spaces are limited to 30 students

Contact CHEP Teacher, Kerrie Schulze,

CHEP Central, to sign up.

Email: kschulze@ocde.us

Phone: 714-327-1011

CHEP students in grades 7 and 8 have an outstanding opportunity this year to participate in CIMI's outdoor science camp on Catalina Island at Fox Landing for three days and two nights, May 20-22, 2015.

CIMI offers an exciting program of marine biology and island ecology through hands-on experiential science activities in a beautiful natural setting. Expert instructors provide students with activities that will increase science literacy and promote an excitement about science.

A variety of experiential marine science labs focus on fish, sharks and rays, invertebrates, marine mammals, plankton, algae, and island ecology. Fun field activities include snorkeling, kayaking, an island ecology hike, and a night snorkel, among other program events.

For a more in-depth description of CIMI activities and information, visit their website.

Mommy and Me

Each month we focus on a thematic topic, and creative teaching ideas are shared at our meeting prior to the corresponding field trip. The teaching ideas are geared for K-3rd graders. Students of all ages are welcome to attend Mommy and Me field trips.

November's thematic unit will be on *Inventions*. The *Graber Olive House* is a historic facility in its 120th season! Graber olives grow on a 185-acre ranch in California's central valley near Porterville. They're carefully harvested and are trucked south to Ontario, California, home of the Graber Olive House. Every autumn, the Olive House turns into a beehive of activity as the olives are cured, sized and canned using the same machines and recipes invented by the original Mr. Graber over a hundred years ago.

CHEP Central Art Fair

ROCKIN' AND ROLLIN' THROUGH THE FIFTIES

Thursday, November 20

4:30 p.m. – 7:30 p.m.

CHEP Central is about to 'Dance the Night Away.' Poodle skirts, bobby socks, hula-hoops and Elvis are just a few of the trends that made the 50's memorable. In addition to all the 'cool' art, there will be games, food, the ever-popular cake walk, and a prize store where you can redeem game tickets.

Want to earn extra tickets? Bring your project(s) to the downstairs mounting station and attach a label. Monday, November 17 (on or before date) = 5 tickets.

Tuesday, November 18 = 4 tickets

Wednesday, November 19 = 3 tickets

Thursday, November 20 = 2 tickets

It's not too late to create! Project categories include, but are not limited to, drawings, painting, sculptures, craft projects, photography, and poetry etc.-just about anything works.

Want to incorporate the 50's theme into your lesson plan? Ideas are available in the lobby. See you at The Hop!
