### PARENT UNIVERSITY

Topic: "From Crisis to Surviving to Thriving"

Wednesday, February 7

6:30 p.m. - 8:30 p.m.

CHEP North: 1250 N. Lakeview, Suite T, Anaheim, CA. 92807

Favored guest speaker and Chief Academic Officer for Orange County Department of Education, Jeff Hittenberger returns to CHP North's Parent University for the second of this two part series. We will be honored to have his wife, Christine join him as they share their parenting journey with CHP families. Every family encounters crisis of one kind or another, and every family experiences seasons where survival mode is all they can manage. Jeff and Christine will share their journey toward thriving, and their desire to consistently thrive as a couple and as a family.

Register by emailing [sdymek@ocde.us](mailto:sdymek@ocde.us) or calling 714-245-6460. Childcare will be provided by Student Council at \$5 PER CHILD per night. Register for childcare with [sdymek@ocde.us](mailto:sdymek@ocde.us) or by calling 714-245-6460.

### PARENT UNIVERSITY BYTE SIZE

Topic: "How to Build a Love for math in Your Children"

Wednesday, January 10

6:30 p.m. - 8:30 p.m.

CHEP North: 1250 N. Lakeview, Suite T, Anaheim, CA. 92807

Katherine Lu, OCDE's math teacher on special assignment in math will be our guest instructor for the evening guiding us with ideas that will help lead to growth in the lives of your kids. Come and learn how to build a love for math in your children and turn everyday tasks into teachable moments.

Register by emailing [sdymek@ocde.us](mailto:sdymek@ocde.us) or calling 714-245-6460. Childcare will be provided by Student Council at \$5 PER CHILD per night. Register for childcare with [sdymek@ocde.us](mailto:sdymek@ocde.us) or by calling 714-245-6460.

### MOMMY AND ME

#### Meetings/Field Trips

Each month we focus on a thematic topic, and creative teaching ideas are shared at our meeting at CHP North prior to the corresponding field trip. The teaching ideas are geared for K-3rd grade. Students of all ages are welcome to attend Mommy and Me field trips. *Field trips are pre-paid and non-refundable. Please contact Dianna Chen at CHP North (714)245-6457 for more information. \*Meet at CHP North*

MEETING DATES	DAY	TIME
Jan. 10	W	*1:00 pm

The theme for February's meeting is Whales

### ANAHEIM FIRE STATION #3

Anaheim Fire Station trip sign-ups begin now.

FIELD TRIP DATE	DAY	TIME
TBD		

Please contact Dianna Chen for more information

January's thematic unit will be on **Forces of Nature**. The unit study covers weather, earthquakes, fires, floods, and tornadoes. With fires so common in Southern California, this is a perfect opportunity for your family to brush-up on their safety and general knowledge of the forces of nature. Join us at **Anaheim Fire Station #3** as the firemen give us a tour of their station and their awesome equipment. This station is equipped with a special 'search and rescue' truck, as well an ambulance. **As a Thank You, let's bring home-baked goodies for the firemen.**

### WHALE WATCHING

Whale Watching trip sign-ups begin now and will close on Friday, February 16.

Cost: \$25 per person

FIELD TRIP DATE	DAY	TIME
Mar. 6	T	12:00 – 2:00 pm

February's thematic unit will be on Whales. Join us at Orange County Marine Institute in Dana Point as we go whale watching! The Institute utilizes a variety of scientific equipment and marine mammal artifact collections to convey an understanding of dolphins, whales, seals, and sea lions. The children will also take part in a plankton dredge as part of our whale watch experience!

## **Catalina Island Marine Institute (CIMI)**

Grades 7-8  
Wednesday, May 23 – Friday, May 25, 2018  
Cost - \$260.00  
Deposit - \$60.00 upon sign-up  
Spaces are limited to 16 students

CHEP students in grades 7 and 8 have an outstanding opportunity this year to participate in CIMI's outdoor science camp for three days, two nights at Fox Landing on beautiful Catalina Island.

CIMI offers an exciting program of marine biology and island ecology through hands-on experiential science activities in a beautiful natural setting. Expert instructors provide students with activities that will increase science literacy and promote excitement about science.

A variety of marine science labs focus on fish, sharks and rays, invertebrates, marine mammals, plankton, algae, and island ecology. Fun field activities include snorkeling, kayaking, an island ecology hike, and a night snorkel, among other program events. For a more in-depth description of CIMI activities and information, visit their website at

[www.guidediscoveries.org/cimifoxlanding.html](http://www.guidediscoveries.org/cimifoxlanding.html)

For more information about this wonderful opportunity or to sign-up please contact Sylvana Kaliterna at 714-245-6473 or [skaliterna@ocde.us](mailto:skaliterna@ocde.us).

Beginning at 10:00 a.m.

CHEP Central's Large Classroom

Please call Cindy or Corissa at

CHEP Central (714) 327-1010 to sign up for a time slot.

All of our talented CHEP students will have the opportunity to showcase their abilities at EXPO! If you have a talent that you would like to share, we would love to have you participate in the Annual CHEP Variety Show at EXPO on Wednesday, March 21 between 4:00 p.m. and 8:00 p.m. All participants must audition in order to be part of the show. Auditions will only be held on Monday, February 5 from 10:00 a.m. till 2:30 p.m. The show's categories are: dance, comedy, poetry, instrumental, or singing. Please note that no lip-syncing will be allowed. If you are interested in being a part of the show, be sure to sign up for an audition time. Also, see flyers at your CHEP site for more information.

### **2018 CHEP EXPO**

THE CATAPULT "How far will it go?" CONTEST IS BACK!

TK – 8th graders

Wednesday, March 21

Contest begins at 5:30 pm

Calling all future engineers, scientists, and builders! Our EXPO contest this year features the return of the catapult. (Trebuchets are okay, too.) We will test student catapult projects outdoors to find the long-distance winner (lower grade and upper grade.) Catapults may be made of any material or combination of materials, but should not cost over \$20 to build. They may not be motorized and they must fit in your car! Parents may help with projects, especially if tools are used, but all designs should be student generated. Entry forms will be available at the sites closer to the EXPO date. Questions may be directed to Cris Hatfield at CHEP-North at 714-245-6462.

### **2018 CHEP EXPO**

CHEP'S YOUNG AUTHORS' FAIRE

TK-8th graders

Wednesday, March 21

Last year's Young Authors' Faire entries were amazing so it's back again this year! This event aims to celebrate student work and showcase original books and poetry by CHEP young authors/illustrators. It is open to students in grades TK - 8, and all work submitted will be on display! See the Young Authors' Faire flyer or your CHEP teacher for additional suggestions and details.

## IMAGINEERS

*Gr 4-5*

"If you can imagine it, you can achieve it."

**OMS LINK:** <http://ocde.k12oms.org/1870-1335534>

The name "Imagineering" combines imagination with engineering. Imagineers bring art, history and science together to generate creative ideas they can use in purposeful ways. Whether creating something using Little Bits, Legos, junk, or engaging in a variety of experiments, students will be challenged to think outside of the box. Using their imagination, they will develop creative ways to solve a problem and turn their ideas into a real-world device. Instructor: Cathy Marshall.
