Our mission is to inspire academic excellence and build 21st century skills that prepare students for college and career.

Your financial contributions directly reward student achievement. Sponsorships support program enrichment and college scholarships for students, as well as registration fees and travel costs for the winning team to compete at the California Academic Decathlon competition. Last year, \$14,300 in college scholarships were awarded to 32 hard-working student decathletes.

OCAD and the Student Voice:

“Academic Decathlon taught me how to read more critically, write more clearly, and think more rigorously about a wide range of disciplines. It taught me the value of grit, as my team and I fought together to achieve our common goals despite the different challenges that each event threw at us. But most important, it taught me to always love learning and to be open to new experiences - no matter how scary or difficult they seem.”

-Kevin, UC San Diego, Woodbridge High School decathlete
