

Courses and Registration Information

Teachers currently participating in select Orange County Department of Education programs can earn graduate-level professional development credits for classes completed. These credits are graduate-level professional development credits which are not part of a degree program but used primarily for professional advancement (such as salary increment steps and recertification).

Registration Process

Registration for credit through UMass Global can be accessed through our registration portal:

<https://www.umassglobal.edu/ocde>. Click on the "Credentials" tab or "Professional Development" tab.

For CTE courses your completion will be verified by OCDE staff. Please email CTECredentials@ocde.us when you have registered with UMass Global.

For Preliminary Administrative Services Credential please upload your Completion Certificate as proof of program completion during registration if you have it. If not please email it to exeddocuments@umassglobal.edu after you receive it. Without these documents we are unable to award credits and you will not be able to order a transcript.

Once you've successfully registered through the online registration portal, you will receive an initial confirmation of registration email with your UMass Global student account network credentials. Please activate your account per instructions in that email. You will be unable to order a transcript if your account is not activated.

Please feel free to call our office at 1-800-632-0094 or at K12@umassglobal.edu with any questions about the online registration process.

Transcripts

Every participant who registers with UMass Global will be able to order official transcripts and retrieve unofficial transcripts through our online student services system.
