## 2023 AVID Speaker Contest Application

**February 20, 2023**

Have you been thinking about applying to be an AVID Summer Institute Speaker? January is an excellent time for students to start the process and complete your AVID story essays. The competition closes on Monday, February 20th, and is open to elementary, middle, and high school students with an AVID story to share. You can use one of the provided prompts to structure your essay or simply tell us your AVID story. We are excited to learn, laugh, and sometimes cry as we review applicants' stories, but most importantly, we are excited to hold a space for you and your students to share your voices.
