### Segerstrom Center for the Arts COVID -19 policy

- **COVID -Vaccination policy:** Our updated COVID-19 policy requires patrons to provide proof of full vaccination against COVID-19 to attend all indoor performances and events at Segerstrom Center for the Arts. “Fully vaccinated” means your performance is at least 14 days after your final vaccine dose. To enter the theater, patrons must bring a photo ID (for guests over 18 years old) and proof of vaccination, either a physical vaccination card, a picture of their vaccination card, or a digital vaccination record. Any patrons (including those under age 12) without proof of being fully vaccinated can present a negative COVID-19 test (PCR taken within 48 hours or antigen taken within 6 hours) of the performance. Attendees will need to bring either documentation of a negative COVID-19 test result, emailed result, or a picture of results showing a negative diagnosis as well as the date and their name. At-home tests will not be accepted.
- **Mask policy:** Masks (over the mouth and nose) are required at all times for all patrons (ages 2 and up) regardless of vaccination status in all indoor spaces. Disposable 3-ply surgical masks, N95, KN95, or KF94 masks are recommended.
