# **National History Day Program Overview**

## **2025 Theme – Rights and Responsibilities in History**

Each year, more than half a million students, encouraged by thousands of educators nationwide, participate in the National History Day (NHD) contest. Students who participate in History Day learn valuable 21st-century college and career-ready skills.

NHD is a year-long educational program in which students become historians. Students choose historical topics related to an annual theme and conduct extensive primary and secondary source research by using libraries, archives, museums, and oral history interviews. They analyze and interpret their findings, draw conclusions about the significance of their topics in history, and create final projects to present their work. With a focus on research and argumentative writing, the program supports the Common Core State Standards and the History Social-Science Framework.

Schools across Orange County participate in the NHD-OC program as a means to provide highly engaging history instruction that develops students' ability to critically think and problem-solve. As individuals or as a group, students showcase their knowledge and skill in one of six categories: Poster (grades 4/5 only), Podcast, Documentary, Exhibit, Website, and Performance. The Historical Paper category competes at the NHD-CA virtual contest in February and finalists advance to NHD-CA in May.

Volunteer judges evaluate each entry by looking for historical accuracy, and a balance of perspectives on the topic, along with the variety and breadth of the types of sources, analysis, and interpretation. The major emphasis of NHD is historical quality. Judges are community members, parents, educators, NHD alumni, and others who have an interest in and experience with National History Day. Judges also seek criteria related to adherence to the annual theme and clarity of the presentation. NHD-OC Champions advance to the National History Day-California (NHD-CA) state finals representing Orange County. Successful students at NHD-CA advance to the national level competition.

## **NHD-OC AWARDS CEREMONY**

Join us for the Awards Ceremony on Wednesday, March 12, 2025, at 6:00 p.m. We will announce the champions who will represent Orange County at the State Finals in May, as well as students receiving special awards.

A champions meeting will be held immediately following the Awards Ceremony.
