

WHAT IS CIVIC LEARNING?

FOR TK-12 EDUCATORS

This webinar will allow participants to:

- Differentiate between service learning and civic engagement while exploring alignment opportunities with the State Seal of Civic Engagement.
- Examine standards-based civic learning examples and discover ways to celebrate student achievements through the TK-8 Civic Learning Pathway program.
- Develop actionable next steps, including partner outreach, resource development, and integration into existing frameworks.

Join us as we collaborate to inspire civic responsibility and meaningful student engagement in every learning environment!
