Personal Finance Informational Webinar

Wednesday, March 5, 2025
1:30 p.m. - 2:30 p.m.

Secondary Curriculum Leads (coordinators, administrators, directors, assistant superintendents, etc.) are invited to a virtual information webinar regarding the implementation of AB 2927 - the new California high school course on personal finance.

Join us for this one-hour virtual session where we provide information about this new graduation requirement, including important dates and details to set your district up for successful course planning and implementation.
