SESSION 2

February 22, 2023

9:00 AM - 12:00 PM

Participants should plan to attend both virtual sessions.

This interactive workshop will help LEA teams design an LCAP that is aligned to the research-based CA English Learner Roadmap policy and focuses on identifying actions, services, programs, and resources that ensure equitable opportunities and outcomes for English Learners. Participant will engage with the resources included in the Toolkit and explore the ways they might be used to identify and analyze the needs of their English Learners. Alignment with EL Roadmap principles and elements will be highlighted. Moreover, the training will help LEA teams to identify the pitfalls inherent in the Dashboard data that mask the achievement of ELs, and more effectively understand the achievement and statuses of their ELs.

Audience: Open to all Administrators and District teams from the EL RISE! 20 County Offices of Education
