

Would your organization like to partner with existing OC projects for FUTURE FUNDING?

About the OC Pathways K-16 Collaborative

We would like to involve you in creating equitable pathways and pipelines from high school and college to the workforce. You can work in collaboration with education, community, and industry, and attending this meeting is the first step.

Benefits of Partnering with the K-16 Collaborative:

✔ Strategic Partnerships

- Align education with industry needs
- Enhance local workforce opportunities
- Seek funding for pipeline development

YOUR WORKFORCE IS HERE!

JOIN US!
