WHY SEPTEMBER 30?

"International Translation Day is meant as an opportunity to pay tribute to the work of language professionals."

"Thus, on 24 May 2017, the General Assembly adopted resolution 71/288, declaring 30 September as International Translation Day."

Source: United Nations

ABOUT THIS EVENT

Come and celebrate International Translation Day with colleagues in the field, be a part of the conversation, learn about the changes AI brings to our profession, and network with peers. Enjoy a presentation from a special guest and join us for a fun-filled day celebrating you!

This event hosted by Language Services, Orange County Department of Education, and is intended for bilingual staff, interpreters, and translators working in education. Limited Spaces Available!
