

Facility Planner Meeting Schedule Revised

At our last meeting, the Districts looked at the Meeting Calendar and how frequently we want to meet. In the past couple of years, because of holidays and conflicts with other events, we have had an average of eight Facility Meetings a year.

Therefore, we have decided to pre-emptively cancel the July /August meetings, as well as October and December.

It was also decided that it has been very beneficial for the Districts to meet separately. We have edited the schedule to have District Only meetings every other month. This is the revised schedule for the remainder of the year. There will only be one more Vendor/District Facility Meeting in 2013 – this will be in September.
