### RANDOM MOMENT TIME SURVEY YOUR PARTICIPATION MATTERS.

Your district has selected you to be a Time Survey Participant (TSP) in the quarterly RMTS for SMAA and LE BOP School-Based Medi-Cal reimbursement programs. Due to the random nature of the RMTS methodology, there is a possibility that you may or may not receive one or more moments in a given quarter.

If selected, you will receive your first email notification **one (1) student attendance day** prior to the moment and another email **one (1) hour prior** to the moment. Once each random moment occurs, you will have **four (4) student attendance days** to respond.

### THINGS TO REMEMBER.

- A response from you is required whether or not you are performing a Medi-Cal activity.
- Check your email regularly. Notification of pending random moments will be sent via email from [calec@pcgus.com](mailto:calec@pcgus.com)
- You do not need a user log-in or password. The time study notification email contains a unique link to access the system to record your response. The unique link is locked until your moment has passed. Links can be accessed on any device with web capabilities or any platform.
- Do not delete time study notification emails until your random moment has been completed.
- You will receive reminder emails 24 hours and 72 hours after your moment has passed to respond.
- Please contact your district's SMAA Coordinator below, if you will be out on an extended leave, have a name or email address change or are leaving your current position.
