

State and Federal Programs (SFP) and Multilingual Academic Services (MAS)

2024-2025 Network Meetings

PURPOSE

State and Federal Programs (SFP)

Provide an opportunity for leaders in education to build their collective understanding of state and federal grants and programs, accountability, legislation, and LCAP.

Promote collaboration and communication among state and federal accountability educational leaders to share best practices, problem solving strategies, innovative ideas, and resources.

Multilingual Academic Services (MAS)

Foster a sense of community, connectedness, and empowerment for all Local Educational Agency (LEA) leaders who have oversight of English Learner programs and services, are designing for Multilingual Learner comprehensive language acquisition experiences, and are attentive to strengthening multiliteracy options. Promote collaboration and communication among leaders to share best practices, problem-solving strategies, innovative ideas, and resources.
