or call (714) 966-4116

Learn research and theory about dual language learners, develop skills to enhance relationships with children and families, practice strategies for best instruction, and plan for implementation in a virtual environment. This training is appropriate for preschool educators, assistants, coaches, and leaders working with children ages PreK to Kindergarten. California preschool educators are funded by Dual Language Learner Professional Development from the Child Care and Development Fund (CCDF), California Department of Education, Early Learning and Care Division.
