PAL is a school-based peer-to-peer youth development program that operates as a club or class and is built upon a philosophy of students helping students. PAL peer leaders focus on new student transition, social and emotional learning, mentoring, bullying prevention, service learning, tutoring, youth-led campaigns, and alcohol, tobacco, and drug prevention.

Participation Benefits:

- Become a certified PAL Advisor.
- Receive PAL curriculum - a nationally recognized and evidence-based prevention program.
- Learn the components for organizing and implementing lessons, securing staff and parental support, selecting students, identifying resources, and evaluating the program.
- Receive ongoing technical assistance, resources, and advisor networking opportunities.

The PAL program contributes to a Multi-tiered System of Support and Local Control and Accountability Plan priorities by engaging students, families and community members, building social and emotional skills, and fostering a strong and positive school culture.
