

USE OF PAL® PEER ASSISTANCE LEADERSHIP PROGRAM NAME AND LOGO TRADEMARKS

In order for the Orange County Superintendent of Schools to comply with PAL trademark agreements and to ensure the fidelity and efficacy of the PAL program, schools must comply with the following program requirements:

- The name PAL and the PAL logo may only be used by authorized PAL® Peer Assistance Leadership programs certified by the Orange County Superintendent of Schools.
 - PAL programs receive certification when a school site staff person completes the elementary or secondary PAL Advisor training provided by the Orange County Department of Education (OCDE).
 - Certification is maintained as long as a minimum of one trained staff member is actively involved in the implementation of the PAL program at the school site.
 - Schools that do not meet this requirement must send a staff member to an elementary or secondary PAL Advisor training provided by OCDE within the current school year or discontinue using the name PAL and the PAL logo within 30 days after the last scheduled training of the school year.
