

DIGITAL CITIZENSHIP PARENT WORKSHOP

This workshop will help parents learn about the importance of Digital Citizenship, introduce emerging trends in social media and focus on the measures we can take to teach children how to be safe and responsible while using electronic devices.

Now Available Online!

Objectives

- ✓ To provide information, tools and advice to guide parents in helping their children use technology in a positive manner.
- ✓ To empower parents to make smart choices about media and technology for their families.
- ✓ To help parents navigate the ever-changing digital world and protect their children from possible dangers.
- ✓ To help begin conversations about responsible media engagement that will help children's social, emotional, cognitive and physical development.

If you would like more information on how you can schedule a Digital Citizenship Parent Workshop, please contact
