# Academic Integrity Policy

### Academic Integrity Authority

In order to ensure the integrity of the Orange County Academic Pentathlon program, a strict code of conduct will be enforced by the Orange County Department of Education (OCDE). Cheating, in any form, will not be tolerated and immediate action will be taken if it should occur. All Pentathlon students must agree to comply with all program rules and to perform on all tests in a manner consistent with the highest standards of honesty and integrity. It is the sole responsibility of the Pentathlon coach to ensure that each student participant knows, understands, and agrees to this Academic Integrity Policy.

Proctors for Academic Pentathlon testing will report any incidents of testing misconduct to the Academic Pentathlon competition manager. Student participants who are witness to or aware of efforts to violate this Academic Integrity policy must notify the coach or test proctor immediately.

All violations will be reviewed by the Academic Pentathlon competition manager, and final sanctions regarding the violation will be decided by the Academic Events staff at OCDE. This policy extends to participation in the national United States Academic Pentathlon competition.

If it is determined that a coach has committed any of the violations listed above, team scores will be nullified. Further sanctions will be determined at the discretion of OCDE staff.
