

Additional Study Resources available from the United States Academic Pentathlon

(Available on the Curriculum Order Form found on our website)

Pentathlon Essay Resource Guide - Provides students with all the information they need to know about USAP's essay event. The Pentathlon Essay Resource Guide includes a thorough explication of the essay scoring rubric and offers students techniques, strategies, tips, and guided activities—including detailed analyses of sample essays—to help them write an effective, high-scoring essay.

Pentathlon Novel Chapter Quizzes - Includes 10 multiple-choice questions per chapter, complete with answer keys to help students master the chapters in this year's selected novel.

Pentathlon Practice Quiz Booklet - Written by the official USAP test writers in each subject area, the booklet will contain five tests, sample essay prompts, and the essay rubric.

Pentathlon Super Quiz Relay PowerPoint Tests - Includes 10 Super Quiz PowerPoint Tests. Each presentation will include 30 multiple-choice questions from four subjects: Literature, Fine Arts, Science, and Social Science. These are designed to be engaging, useful for team practice sessions, and help students prepare effectively for competitions.
