Assistive Technology

AT Consideration and Implementation to Support Learning and Behavior

Universal Design for Learning: iAccess and iPad Technologies in Schools, Apps and Switches
Introducing the New IEP Team AT Internet Modules!

Cindy Nankee, OTR/L, ATP

<http://universaltech4learning.com/>

Cindy has worked as a school based occupational therapist for 25+ years focusing on assistive technology. For nine years Ms. Nankee worked with the Wisconsin Assistive Technology Initiative (WATI) as an Assistive Technology Consultant and five years as the committee chairperson for the Wisconsin Assistive Technology Across the Lifespan Conference. Currently Cindy works as a private consultant providing assistive technology training, professional development and direct service. Cindy presents at local, state, national and international conferences on topics including Switch Accessibility, iPad Learning, Video Self-Modeling and Assistive Technology for Reading and Writing.

Wednesday, October 11, 2017

8:00 a.m. – 4:00 p.m.

6.5 PDU ♦ \$50 ♦ Lunch On Your Own

Orange County Department of Education

200 Kalmus Drive, Building D, Costa Mesa, CA 92626

Learning Objectives

1. Describe the purpose of AT and the necessary components of AT documentation in practice and on the IEP.
2. Explore and use important AT resources for ongoing independent learning and use in the classroom.
3. Describe the use of potential AT tools to support education including reading, writing and executive functions.
4. Use and experience AT tools and apps that support access to education.

Who Should Attend?

School-based occupational therapists (OT) and physical therapists (PT), COTA, PTA, teachers, AT specialists

Bring your devices for hands-on practice. Registrants will receive a link for course handouts and AT resources one week prior to the presentation.
