- Local Plan must be submitted to the CDE using the SELPA's assigned Box.com web address.
- In order to facilitate the timely processing, approval, and distribution of SELPA funding, please submit the Local Plan in the original, CDE-approved format. All templates are coded for the CDE's record keeping purposes.
- Handwritten, scanned, or modified templates remove the coding from the fields and impede the CDE's processing of the Local Plan. In such cases, SELPAs may be required to resubmit handwritten, scanned, or modified Local Plans that are not saved in the original 2022–23 CDE Local Plan Submission template provided, resulting in a delay in approval and funding.

SPECIAL EDUCATION LOCAL PLAN AREA

California Department of Education

Special Education Division

2023–24 Local Plan Submission

Local Plan Section D: Annual Budget Plan

Projected special education budget funding, revenues, and expenditures by LEAs are specified in **Attachments II–V**. This includes supplemental aids and services provided to meet the needs of students with disabilities as defined by the Individuals with Disabilities Education Act (IDEA) who are placed in regular education classrooms and environments, and those who have been identified with low incidence disabilities who also receive special education services.

IMPORTANT: Adjustments to any year’s apportionment must be received by the California Department of Education (CDE) from the SELPA prior to the end of the first fiscal year (FY) following the FY to be adjusted. The CDE will consider and adjust only the information and computational factors originally established during an eligible FY, if the CDE’s review determines that they are correct. California *Education Code (EC)* Section 56048

Pursuant to *EC* Section 56195.1(2)(b)(3), each Local Plan must include the designation of an administrative entity to perform functions such as the receipt and distribution of funds. Any participating local educational agency (LEA) may perform these services. The administrative entity for a multiple LEA SELPA or an LEA that joined with a county office of education (COE) to form a SELPA, is typically identified as a responsible local agency or administrative unit. Whereas, the administrative entity for single LEA SELPA is identified as a responsible individual. Information related to the administrative entity must be included in Local Plan Section A: Contacts and Certifications.

- a. Describe the SELPA's allocation plan, including the process or procedure for allocating special education apportionments, including funds allocated to the RLA/AU/responsible person pursuant to *EC* Section 56205(b)(1)(A).

The State is the "grantor" of federal funds and the North Orange County SELPA is the recipient of the grants. MOE on the part of the SELPA is monitored by the California Department of Education (CDE) aka the State. The expenditure data of the participating districts within the North Orange County SELPA will be consolidated to determine if the SELPA as a whole has met the MOE requirements.

It shall be the policy of the SELPA to allocate special education funds based on funding for the SELPA as a whole. Per AB 602, funding is calculated for the SELPA as a whole, and it shall be the SELPA's responsibility to allocate funding among its member local educational agencies (LEA) based upon allocation policies and regulations approved the Governing Body.

There shall be a budget review process annually. Should the proposed expenditures result in a deficit spending condition, the Governing Body shall determine if these expenses will be reduced to

match the annual income, funded from SELPA reserves, or funded by additional contributions from the SELPA members. The level of reserves shall also be addressed annually, with a method of distribution decided upon, should reserves be determined too excessive.

IDEA revenues are allocated to the LEAs based on the CALPADS Census Day count.

b. YES NO

If the allocation plan specifies that funds will be apportioned to the RLA/AU/AE, or to the SELPA administrator (for single LEA SELPAs), the administrator of the SELPA, upon receipt, distributes the funds in accordance with the method adopted pursuant to *EC* Section 56195.7(i). This allocation plan was approved according to the SELPA's local policymaking process and is consistent with SELPA's summarized policy statement identified in Local Plan Section B: Governance and Administration item B-4. If the response is "NO," then either Section D should be edited, or Section B must be amended according to the SELPA's adopted policy making process, and resubmitted to the COE and CDE for approval.

SELPA: North Orange County SELPA

Fiscal Year: 2023–24

Each SELPA must adhere to requirements for developing and reporting special education budget revenue and expenditures. The following excerpt is taken from California School Accounting Manual (CSAM): Procedure 755 Special Education on page 755-1 and included to assist the SELPA with completing Section D: Annual Budget Plan information for each LEA participating in the SELPA's Local Plan.

Special education budgets are complex and are of great interest to the public, both locally and statewide. *EC* Section 56205(b)(1) requires that a special education budget shall identify particular elements. Identification of the following elements is facilitated by the standardized account code structure (SACS):

1. Apportionment received by the LEA in accordance with the allocation plan adopted by the SELPA. (The apportionment is tracked in SACS in the resource field in combination with the revenue code in the object field.)
2. Administrative costs of the plan. (These costs are tracked in the function field.)
3. Costs of special education services to pupils with severe disabilities and low-incidence disabilities. (This population is identified by the goal field.)
4. Costs of special education services to pupils with nonsevere disabilities. (This population is identified by the goal field.)
5. Costs of supplemental aids and services provided to meet the individual needs of pupils placed in regular education classrooms and environments. (Costs of these aids and services are tracked in the function field.)
6. Costs of regionalized operations and services and direct instructional support by program specialists in accordance with Part 30, Chapter 7.2, Article 6, of the California *EC*, Program Specialists and Administration of Regionalized Operations and Services. (These costs are tracked in the goal field for regionalized operations and in the function field for instructional services.)
7. Use of property taxes allocated to the SELPA pursuant to *EC* Section 2572. (Property taxes allocated to the SELPA are tracked in the resource field and identified by a revenue code in the object field.)
