

OC District CWA/SARB Administrator Network Meetings 2022-2023

The Orange County District CWA/SARB Administrator Network provides district administrators and staff with an opportunity to build partnerships between districts by developing collegiality, including sharing of effective practices, legislative updates, and critical information essential to the work of CWA/SARB liaisons and supervisors. Meetings may feature additional community agencies and resources to help districts better understand and address issues of child welfare and attendance. The goal of the OC District CWA/SARB Administrator Network is to enhance student achievement and engagement, as well as improve school climate by raising student attendance, reducing barriers to enrollment, and lowering student disciplinary infractions, including suspensions and expulsions.

Meeting Dates

Thursday, September 22, 2022

Thursday, November 3, 2022

Thursday, January 19, 2023

Thursday, March 30, 2023
