Families Need to Know**

Are you or your family in
temporary, shared, or unstable
housing?

**YOU HAVE RIGHTS
AND
YOU ARE WELCOME AT SCHOOL**

Your Rights

ALL eligible students, regardless of legal documentation, immigration status, or presence of parent have the right to:

- Immediate enrollment and full participation in school, including preschool, afterschool activities, and extracurricular activities.
- Enroll without having a
 - permanent address/proof of residency
 - legal guardianship or school records
 - immunization records
- Choose between two options - continue to attend the school where last enrolled (*school of origin*), or enroll in the school serving the area where currently staying (*school of residence*).
- Finish the school year in the school where they start, even once housed.
- Transportation from their current residence to the student's *school of origin*, if requested.

The Federal McKinney-Vento and California state law removes all educational barriers faced by children and youth without a fixed, regular, and/or adequate nighttime stay.

Eligibility is determined by your nighttime stay. Children and youth, attending public preschools through college, qualify if you are:

- Staying with friends or family because you are a runaway or unaccompanied youth
- In a shelter (family, domestic violence, or youth shelter)
- In an abandoned building, campground, sleeping in a car, RV, beach or park, or on the streets
- A refugee who is in unstable housing
