Subject: **2023-2024 Employer Payroll Expense Rates**

The following is an estimate of 2023-24 payroll expense rates based on the most recent information available. The Social Security Administration has announced an increase in the Social Security (OASDI) payroll tax wage limit to \$168,600 (from \$160,200) for the 2024 calendar year. We wanted to make sure districts are aware of this change so that it may be factored into budget planning. Further memos will be distributed as other rate information becomes available.
