2. The charter petition must be submitted along with a signed [Petitioner Certification](#) that the petitioner deems the submitted petition to be complete and a completed [Petition Intake Information](#) form.
3. A charter petition is deemed received by OCBE, for purposes of commencing the timelines, on the day the petitioner submits a complete Charter School Appeal Package to Orange County Department of Education, Charter Schools Unit, 200 Kalmus Drive, Costa Mesa, 92626.
4. At the time the petition is submitted to OCBE, the petitioner shall also provide a copy of the submitted petition to the school district that denied the original charter petition.

A. Charter School Petition Review

EC § 47605(c)

Orange County Department of Education staff shall review the appeal petition pursuant to Education Code section 47605(c) utilizing the [Charter School Petition Evaluation Matrix](#) adapted from the Charter Accountability Resource and Support Network Authorizers Guide. If the denial of the petition was made pursuant to Education Code section 47605(c)(8), OCBE shall also review the school districts findings pursuant to that section.¹

¹ Education Code section 47605(c)(8): The school district is not positioned to absorb the fiscal impact of the proposed charter school. A school district satisfies this paragraph if it has a qualified interim certification pursuant to Section 1240 and the county superintendent of schools, in consultation with the County Office Fiscal Crisis and Management Assistance Team, certifies that approving the charter school would result in the school district having a negative interim certification pursuant to Section 1240, has a negative interim certification pursuant to Section 1240 or is under state receivership. Charter schools proposed in a school district satisfying one of these conditions shall be subject to a rebuttable presumption of denial.

B. Remanding Petition Back to School District **EC §§ 47605(k)(1)(A)(i) & (ii)**

1. If the petition submitted on appeal contains new or different material terms, including signatures, affirmations, disclosures, documents, and descriptions described in Education Code sections 47605 (a), (b), (c), and (h), the county board of education shall immediately remand the petition back to the governing board of the school district that denied the charter petition for reconsideration.²
2. OCBE may take action to remand the charter petition back to the school district at the next regularly scheduled OCBE board meeting following 14 days after submission of the charter petition.
3. If the governing board of the school district denies the revised charter petition after reconsideration, the petitioner may elect to resubmit the petition to OCBE within 30 days of denial by the local school district. Statutory timelines will commence once the charter petition and signed certification are resubmitted to OCBE.

C. Public Hearing to Consider Level of Support **EC § 47605(b)**

OCBE will hold a public hearing on the provisions of the charter petition no later than 60 days after receiving a charter petition submission for the purpose of considering the level of support for the petition by teachers employed by the school district, other employees of the school district and parents. Charter school and school district representatives are allotted 15 minutes each to address the Board, followed by 30 minutes of public comments. Any documents or digital presentations utilized on that day must be submitted 48 hours prior to the board meeting.

D. Clarification Meeting

A clarification meeting may take place with the charter school petitioners and the Orange County Department of Education petition review team, and may include legal counsel as necessary. The meeting will take place at the Orange County Department of Education, 200 Kalmus Drive, Costa Mesa, 92626, or via teleconference. Information garnered from the meeting may be included in the published staff recommendation, including the recommended findings. Topics discussed may include the proposed instructional program, services to English learners, special education, operations, governance and finance.

E. Staff Recommendation and Recommended Findings **EC § 47605(b)**

Orange County Department of Education staff recommendations, including the recommended findings will be published 15 days before the public hearing at which OCBE will take action to either grant or deny the revised charter petition and, if applicable, the certification from the Orange County Superintendent of Schools prepared pursuant to Education Code section 47605(c)(8).

² “Material terms” of the charter petition means the signatures, affirmations, disclosures, documents, and descriptions in Education Code sections 47605 (a), (b), (c), and (h), but shall not include minor administrative updates to the petition or related documents, due to changes in circumstances based on the passage of time related to fiscal affairs, facilities arrangements, state law, or to reflect OCBE as the charter authority.

At the public hearing at which OCBE will take action to grant or deny the charter petition, the petitioners shall have 10 minutes or equivalent time, whichever is longer, to present evidence and testimony responsive to the OCBE staff recommendation and findings.

OCBE shall grant a charter for the operation of a school if it is satisfied that granting the charter is consistent with sound educational practice and with the interests of the community in which the school is proposing to locate. OCBE shall consider the academic needs of the pupils the charter school proposes to serve and shall not deny a petition for the establishment of a charter school unless it makes written factual findings, specific to the particular petition, to support one or more of the following:
