B. Identified Material Revisions

Charter schools authorized by the Orange County Board of Education (OCBE) shall consult with Orange County Department of Education (OCDE) Charter Schools Unit staff regarding any proposed material changes. C. Public Hearing to Consider Level of Support

OCBE will hold a public hearing on the provisions of the revised charter petition no later than 60 days after receiving a material revision submission for the purpose of considering the level of support for the revised petition by teachers employed by the school district, other employees of the school district and parents. Charter school and school district representatives are allotted 10 minutes each to address the Board. Any documents or digital presentations utilized on that day must be submitted 48 hours prior to the board meeting.

D. Clarification Meeting

A clarification meeting may take place with the charter school petitioners and the OCDE petition review team, and may include legal counsel as necessary. The meeting will take place at the Orange County Department of Education, 200 Kalmus Drive, Costa Mesa, 92626, or via teleconference. Information garnered from the meeting may be included in the published staff recommendation, including the recommended findings.

E. Staff Recommendation and Recommended Findings
