Section Four: Project Information

Please rank your top 3 projects:

- Community/School Waste Reduction Plan
- Organic Waste Reduction (i.e. composting, share table at lunch)
- Recycling
- Waste Free Lunch

Considerations when choosing dates:

- **Refer to the district/school master calendar to avoid scheduling conflicts with year-round cycles, district-wide testing, Open House, conferences, winter/spring break, school holidays, inservices, or special events.**
- Schools are scheduled on a first come, first serve basis.
- Estimate the number of students. This number will be used on your contract initiated with your school/district. Remember to include Special Education students.
- Check for availability of transportation.
- Cancellations and adjusted enrollment numbers require written notice of at least **20 business days** prior to participation. If another school cannot be found for the open date, your school will be billed for 90% of your contracted enrollment.
