## Are there any unique student needs we should be aware of when presenting?

- Please schedule each class for their own time session (45-60 min). SDC students and partial classes (combo) can join in with another class as long as the total number of students per session does not exceed 40.
- Include at least 10-15 minutes in between sessions, and a 30 minute lunch break if there are four (4) or more sessions.
- AESD ONLY: ITO will provide a zoom link for your presentation(s).

Please feel free to contact us if you need assistance with your schedule."
