

ORANGE COUNTY DEPARTMENT OF EDUCATION
Costa Mesa, California

SUPERINTENDENT'S POLICY

100-26

Gangs

The Orange County Department of Education desires to keep Orange County Department of Education schools free from the threats or harmful influence of any groups or gangs which exhibit drug use, violence or disruptive behavior. The Superintendent or designee shall take steps to deter gang intimidation of students and staff and confrontations between members of different gangs. He/she shall exchange information and establish mutually supportive efforts with local law enforcement authorities.

The Superintendent or designee shall provide in-service training which helps staff to identify gangs and gang symbols, recognize early manifestations of disruptive activities, and respond appropriately to gang behavior. Staff shall be informed about conflict management techniques and alerted to intervention measures and community resources.

The Orange County Department of Education realizes that students become involved in gangs for many reasons, such as peer pressure, the need for a sense of belonging, and lack of refusal skills. Age-appropriate gang violence prevention education shall start with students in the early elementary grades and may start in kindergarten.

To further discourage the influence of gangs, the Superintendent or designee shall ensure that school rules of conduct and any school dress code prohibiting gang-related apparel are enforced consistently. If a student exhibits signs of gang affiliation, staff shall so inform the parent/guardian.
