ADDENDUM #2  
BID # 23-15

Aruba – Server Edge Switches

IMPORTANT NOTICE

Please note the following responses to questions asked by prospective Proposers:

Question 1. Regarding Security License R9H25AAE, this maintains security and firmware patches as necessary. Will this be added as a subscription as required support?

**Answer: Line item R9H25AAE is the software license and line item JL640AAE is the subscription for line item R8P14A switches.**

This Addendum shall be considered part of the Project documents for the above-mentioned project as though it had been issued at the same time and shall be incorporated integrally herewith. Where provisions of the following supplementary data differ from those of the original Project Documents, this Addendum shall govern and take precedence.

Proposers are hereby notified that they shall make any necessary adjustments in their proposals on account of this Addendum. It will be construed that each Proposer's proposal is submitted with full knowledge of all modifications and supplemental data specified herein.

Sincerely,

A handwritten signature in blue ink, appearing to read "Kristin Lange".
