K-12 Districts, ROPs, and other JPAs

**Subject: 2013-14 Annual Financial Reports and 2014-15 Audit Agreements**

Pursuant to Education Code section 41020(h), audit reports for the fiscal year ending June 30, 2014 are due to various agencies no later than December 15, 2014. The address and distribution requirements are detailed on the enclosed Attachment I. The audit report must be distributed to the following recipients:

County Superintendent of Schools (OCDE)	1 hard copy and 1 electronic copy
California Department of Education (CDE)	1 electronic copy
State Controller's Office (SCO)	1 copy (may be electronic)
Federal Audit Clearinghouse	See Attachment I

Additionally, per Education Code Section 47605(m), charter schools are required to annually submit a copy of their audit report to the chartering entity, State Controller, County Superintendent of Schools in which the charter school is sited, and the State Department of Education by December 15, 2014. If the audit of the charter school is encompassed in the audit of the chartering entity pursuant to Education Code Section 41020, this requirement does not apply.

We strongly recommend selection of an audit firm familiar with the audit requirements of California K-12 school districts. The selected firm should have accountants familiar with GASB/FASB pronouncements and statutory funding mechanisms. Firms that are considering an audit should review the "Standards and Procedures for Audits of California K-12 Local Educational Agencies" guide.

A directory of certified public accountants and public accountants deemed by the State Controller as qualified to conduct audits of local educational agencies per Education Code section 41020(f)(1), shall be published by December 31st at the following website: <http://cpads.sco.ca.gov>.

Under Education Code section 41020(f)(2), it is unlawful for a public accounting firm to provide audit services to an LEA if the lead partner, or coordinating audit partner, having primary responsibility for the audit, or the audit partner responsible for reviewing the audit, has performed audit services for that LEA in each of the six previous fiscal years.

The audit firm selection process **does not require** a district to go to bid. Special services, including audits, are exempt from bid requirements pursuant to Government Code Section 53060. When selecting a firm, the district should consider the firm's ability to comply with the standards and procedures for audits, and other factors the district deems appropriate. Enclosed Attachment II lists firms that performed 2013-14 fiscal year audits for districts and JPAs in Orange County. A firm that appears on the list does not mean that our office endorses the firm.

We suggest that your district take the following actions:

1. Review Education Code Sections 14500 – 14508 (Financial & Compliance Audits), 41020 (Requirement for Annual Audit), and 41023 (Joint Powers Agreements).
2. Make the selection of a capable audit firm qualified to conduct, complete, and file the reports with our office and the various agencies.
3. Submit to this office no later than April 1, 2015, the name, address, style (i.e. CPA, PA, etc.) and partner of the accounting firm selected to complete the 2014-15 annual audit. Please let us know if you are unable to meet this deadline, as our office is required to provide for an audit of your district by no later than May 1, 2015, per Education Code 41020.
4. Review the most recent "Standards and Procedures for Audits of California K-12 Local Educational Agencies" guide. The guide is available through the Education Audit Appeals Panel (EAAP) website at [www.eaap.ca.gov](http://www.eaap.ca.gov).
5. Ensure that all district sponsored/state approved charter schools have arranged for an audit by April 1, 2015, and the district has a plan to address any audit exceptions and deficiencies.

In agreement with Education Code Section 14505, all contracts must include a provision for:

- 10% withholding, and
- 50% withholding if, in a previous year of a multi-year contract, an audit report was not certified as conforming to the reporting standards of the State Controller's Audit Guide.

If your district is responsible for providing the audit of a JPA, please send us a signed copy of the agreement. If you have any questions or concerns regarding this information, please contact Howard Marinier at (714) 966-4176.
