Moderated by UC Davis MIND Institute, Early Start teams from counties all over California meet via videoconference to learn and share together. Our local group "links up" at Orange County Department of Education to join this independent network of early interventionists dedicated to quality services. Topics are selected by the group and members are responsible for contributions to the quality of dialogue and learning.

**OCDE Conference Center, Room D-1009**

**MEETING TIME: 12:30-3:30 PM**

**Videoconference 12:30-2:30 and Local network discussion 2:30-3:00 PM**

The goal for this year is for CESSN community members to "Get Deeper and Focus on Next Steps". In other words, we aspire to create an environment where everyone will have a space to think as a group about the next steps, keeping the goal in mind. Thus, the input of the entire network is always needed and relied on to create this atmosphere.
