Assistive Technology

The Family Center on Technology and Disability Assistive technology for a broad range of ages and family resources. Includes PowerPoint presentations, downloadable for presentations.	http://www.fctd.info/
The Tots 'n Tech Research Institute Provide up-to-date information and resources about adaptations, including assistive technology, to use with infants and toddlers, Intended for Early Intervention providers of all disciplines, and families.	http://tnt.asu.edu/
A component of the of CSEFEL and TACSEI resources, includes numerous ideas for using AT with children with challenging behavior or communication difficulties including children with PDD or Autism.	http://www.challengingbehavior.org/do/resources/teaching_tools/toolkit_user_manual.pdf

This blog provides references to a number of other websites with AT resources.	http://teachinglearnerswithmultipleneeds.blogspot.com/2008/01/diy-atadaptive-design.html
FREE IMAGE RESOURCE: Good sources for free images to use for schedule boards, social stories, communication, choice-making and other applications.	http://www.images.google.com http://www.flickr.com/ http://www.morguefile.com/ http://www.pics4learning.com/ http://images.search.yahoo.com/
OSEP's new Center on Technology and Disability provides information and technical assistance on assistive and instructional technology (AT/IT) for children and youth with disabilities	http://www.ctdinstitute.org/ Subscribe to the newsletter!

Early Deaf/HH Resources

CA Dept. of Education, Specialized Programs, State Special Schools, Deaf & Hard of Hearing Services provides technical assistance to LEAs. Resources include Early Start Referral Form, Parents Resource Guide, etc.	http://www.cde.ca.gov/sp/ss/dh/
Early Hearing Detection & Intervention Pediatric Audiology Links to Services, a web-based link to information, resources, and services for children with hearing loss. At the heart of EHDI-PALS is a national web-based directory of facilities that offer pediatric audiology services to young children who are younger than five years of age.	http://www.ehdi-pals.org/
The Gallaudet VL2 center publishes research briefs as a resource for educators and parents. The goal is to inform the education community of research findings, to summarize relevant scholarship, and, in the form of practice guides, to present recommendations that educators and parents can use when addressing the multifaceted challenges of educating deaf and hard of hearing children.	http://vl2.gallaudet.edu/research/research-briefs/
<i>Setting Language in Motion: Family Supports and Early Intervention for Babies who are Deaf or Hard of Hearing</i> is a free, web-based resource developed as a collaborative effort between the Laurent Clerc National Deaf Education Center and the Deaf and Hard of Hearing Program of Boston Children's Hospital. It is based on the Building Blocks of Intervention webinar series created by the Deaf and Hard of Hearing Program at Children's.	http://www.gallaudet.edu/clerc-center/sites/setting-language-in-motion.html
Fifteen Principles for Reading to Deaf Children: Early literacy resources	https://www.gallaudet.edu/clerc-center/learning-opportunities/online-learning/fifteen-principles-for-reading-to-deaf-children.html
Rachel Coleman (Signing Times) created this free site to help provide answers, access resources, and connect with a community that understands parents' needs. It seems free online ASL training is available!	https://www.mydeafchild.org/#welcome

Other Disability Specific Resources

<p>RTI Based Identification Toolkit for SLD This Toolkit provides a clear vision of best practice related to an RTI-based SLD Identification process. School systems can develop structures to ensure that the identification process for specific learning disabilities facilitates decision making about instructional decisions to improve outcomes for students.</p>	<p>http://www.rtinetwork.org/getstarted/sld-identification-toolkit?utm_source=newsletter oct 15 2014&utm_medium=email&utm_content=text&utm_campaign=rtiactionupdate</p>
<p>Autism Navigator: A tool to learn about the core diagnostic features of autism in toddlers, the critical importance of early detection and early intervention, and current information on prevalence and causes.</p>	<p>http://autismnavigator.com/resources-and-tools/#about</p>

ADA: Americans with Disabilities Act

<p>ADA (Americans With Disabilities Act) National Network: Ten regional centers provide information, guidance and training on the ADA. Services are tailored to meet the needs of business, government and individuals at local, regional and national levels.</p>	<p>http://adata.org/</p>
<p>On-line Americans with Disabilities Act Complaint Form. To file ADA complaints with the Dept. of Justice, fill out the form and submit electronically. Filers immediately receive a "reference number" used whenever contacting the Department about that complaint.</p>	<p>www.ada.gov</p> <p>The new electronic form. Complaints are still be accepted by U. S. mail. ADA Information Line at 1-800-514-0301 (v); 1-800-514-0383 (TTY) to receive a paper complaint form by mail.</p>

Developmental Checklists

<p>Zero to Three Natl. Center for Infants and Toddlers: <i>Your Baby's Development</i>. A set of nine, age-based handouts is available in English and Spanish on developmental stages, FAQs, review of typical issues and challenges in stages, etc.</p>	<p>English http://www.zerotothree.org/about-us/areas-of-expertise/free-parent-brochures-and-guides/age-based-handouts.html</p> <p>Spanish http://www.zerotothree.org/about-us/areas-of-expertise/free-parent-brochures-and-guides/age-based-handouts.html</p>
<p>Ages and Stages Questionnaires (ASQ), and ASQ-Social-Emotional . Two commercially available developmental screening tools used extensively in ECE QRIS quality initiatives. Check with you local School readiness program or Early Learning Specialists.</p>	<p>http://www.brookespublishing.com/resource-center/screening-and-assessment/asq/</p>

Quality Early Childhood Practices

<p>The Delaware Resource Toolkit (aka Toolkit) is related to key domains of development as described in the Delaware Early Learning Foundations. The first section offers research, frameworks, and tools associated with ECE program quality. The second</p>	<p>http://www.greatstartsdelaware.com/resources/DE-IHE-TOOLKIT-2014-04.pdf</p>
---	--

section highlights a national array of foundational resources related to Comprehensive Assessment Systems, Early Learning Foundations and Standards	
Support Math Readiness Through Music - NAEYC	http://families.naeyc.org/learning-and-development/music-math-more/support-math-readiness-through-music
Baby Talk: Resources to Support the People Who Work With Infants and Toddlers. A free, one-way listserv distributed monthly, featuring resources that are high quality, readily available, and free.	http://fpg.unc.edu/presentations/babytalk To join the listserv, send an email with no message to subscribe-babytalk@listserv.unc.edu
The Children and Families Commission of Orange County have a free mobile app called "Kid Builders", packed with fun activities to help children grow up healthy and ready to succeed in school and life! The app is free of charge to both iPhone and Android users, available in English, Spanish and Vietnamese.	https://kidbuildersapp.firebaseio.com/#/ .
What Works Clearinghouse: find evidence-based strategies, programs, and practices to start preschoolers on the journey to academic success. Get tips and tools on how to help them develop strong language, literacy, mathematics, cognitive, & social skills.	https://ies.ed.gov/ncee/wwc/FWW/Results?filters=,Pre-K

Early Literacy and Mathematics

Get Ready to Read! Website includes: - Get Ready to Read! screening tool and the new Early Learning Observation Rating Scale (ELORS) - Transition to Kindergarten Toolkit - Skill-Building Activities - Early Learning and Childhood Basics - Includes a collection of expert-written articles and other resources on early childhood development, reading, and math	http://getreadytoread.org/
Erikson Early Math Collaborative works to improve math instruction for young children in three ways: Professional development, Research, Dissemination	http://earlymath.erikson.edu/building-mathematical-competencies-in-early-childhood/

Transitional Kindergarten

TKCalifornia is operated and maintained by Preschool California, a statewide nonprofit advocacy organization.	http://tkcalifornia.org/
CDE Transitional Kindergarten FAQ	http://www.cde.ca.gov/ci/qs/em/kinderfaq.asp
CA Kindergarten Association	http://www.californiakindergartenassociation.org/transitional-kindergarten/

Infant/Family and Early Childhood Mental Health

CA Map to Inclusion and Belonging - A listing of links to resources related to Infant and Early Mental Health Initiatives	http://cainclusion.org/camap
---	---

<p>Understanding Children's Mental Wellness Child Trends report summarizing current knowledge on children's mental health and provides a comprehensive framework for understanding mental wellness. It highlights the evidence for interventions that can improve mental health wellness at multiple levels.</p>	<p>http://www.kidsmentalhealth.org</p>
--	--

Bilingual/Bicultural Learners

<p>National Center on Culture and Linguistic Responsiveness (Head Start)</p>	<p>http://eclkc.ohs.acf.hhs.gov/hslc/tta-system/cultural-linguistic</p>
<p>California's Best Practices for Young Dual Language Learners: Research Overview Papers</p>	<p>http://www.cde.ca.gov/sp/cd/ce/documents/dllresearchpapers.pdf</p>
<p>The Importance of Home Language This series of handouts is designed to provide staff and families with basic information on topics related to children learning two or more languages. They emphasize the benefits of being bilingual, the importance of maintaining home language, and the value of becoming fully bilingual.</p>	<p>http://eclkc.ohs.acf.hhs.gov/hslc/tta-system/cultural-linguistic/home-language.html</p>
<p>Too Small to Fail: Resources on early language, bilingualism, literacy, etc. for parents and teachers</p>	<p>http://toosmall.org/community/resources#Guides</p>
<p>Archived webinar: <i>More Than Songs and Sombreros: Incorporating an Emphasis on Dual Language Learners in Your Program</i> Growing numbers of children with home languages and dialects other than academic English make it imperative for programs to prepare future professionals with relevant content and practices.</p>	<p>http://scriptnc.fpg.unc.edu/2016-script-nc-webinar-series-registration-now-open</p>

Homelessness - Preschoolers

<p>US Dept. of Education Laws and Guidance - Every Student Succeeds Act (ESSA) July 27, 2016 Assists state and local partners in implementing the provisions in the Every Student Succeeds Act (ESSA) for supporting homeless children and youth, including preschool-aged homeless children.</p>	<p>http://www2.ed.gov/policy/elsec/leg/essa/index.html</p>
<p>Education for Homeless Children and Youths Program Non-Regulatory Guidance Title VII-B of the McKinney-Vento Homeless Assistance Act, as amended by the Every Student Succeeds Act. Clarifies requirements focused on preschool-aged homeless children, for access to services, if eligible, under preschool programs administered by the LEA, including Head Start, Part C/IDEA (Early Start in CA), and other LEA-administered preschool programs.</p>	<p>http://www2.ed.gov/policy/elsec/leg/essa/160240ehcyguidance072716.pdf Refer to Table of Contents, Section N for special guidance on preschool children.</p>

Professional Development

NEA practical advice to college and university faculty on how to more effectively teach higher education students. Their Thriving in Academe guides have included guides to using social media in the classroom, how to command the attention of students, how to "flip" your classroom, how to teach for "deep learning," and more.

<http://www.nea.org/home/33508.htm>
