The Orange County Department of Education is proud to introduce the Cambodian American Studies Model Curriculum (CASMC) at rollout conferences between 2024 and 2026. Available in the fall of 2024, the CASMC will assist educators in teaching about the histories, cultures, and traditions of Cambodian Americans as part of Education Finance Bill AB 167. At the roll-out conference, K-12 educators will:

- Learn about the CASMC and companion resources
- Connect with educators, scholars, community members, and culture bearers, as well as relevant cultural practices and ways of knowing
- Participate in culturally immersive experiences in local communities
